For Immediate Release

The Big Bear Reproductive Health Center provides confidential reproductive health services such as condoms, birth control pills, the Depo shot, and the patch. The Center also provides testicular cancer screening and prostate checks for males, pregnancy testing, breast and pelvic exams and Pap smears for females, as needed. HIV and STD testing, treatment, and referral services are also provided. These services are provided for free or at low cost to our clients. Clients in need of vasectomy services (permanent male sterilization) are referred to clinics in Hesperia, Ontario, and San Bernardino. The Big Bear Reproductive Health Center is located at 477 Summit Boulevard in the City of Big Bear Lake and is now open on Mondays and every other Friday from 9:30 am to 3:30 pm. Walk-in clients are also welcome based on availability. Come visit us!

For more information, or to make an appointment, please contact the clinic at 1-(800)-722-4777.
